Dear Congressman Hill,

Thank you for co-sponsoring the Restore Our Parks and Public Lands Act (H.R. 6510). As you know, this legislation provides a dedicated source of funding to address the \$11.6 billion maintenance backlog in our National Parks. The funding provided through the Restore Our Parks and Public Lands Act will make our National Parks safe and accessible and ensure the preservation of our country's most important historic resources for generations to come.

Again, we thank you for your support of this legislation and all you do to further the efforts of preservation and conservation in Arkansas.

Sincerely,
